Synopsis	“Lord, teach us to pray” (Luke 11:1) was one of the greatest requests the disciples asked of Jesus. These men would go on to have extraordinary prayer lives, but they had to start by being students of prayer. In this second part of our journey in learning how to pray from our Lord Jesus, we go deeper into topics like Unanswered Prayer, Contemplation, Listening to God, and Spiritual Warfare. Look forward to practical sessions where we learn how to use the tools of “prayer without words”, listening before praying, and more.
